

DUI PREMIUM DRYSUIT REPAIR SERVICE PRICE LIST - RETAIL

DUI 20-POINT DRYSUIT INSPECTION™

	<p>Your drysuit will be thoroughly inspected and given an in-water leak test. Included in this fee is the repair of up to 6 minor punctures and/or seam leaks. Upon completion of the repair, your drysuit will receive a second in-water test.</p> <p>NOTE: All drysuits receiving a repair affecting the watertight integrity of the drysuit is subject to this fee.</p>	<p>\$125</p>
---	--	--------------

NON-DUI DRYSUIT REPAIRS

<p>DUI will repair most other manufacturer's drysuits on a case by case basis. We will only install our parts and use our 60 years of experience with sealing and repairing your non-DUI drysuit.</p> <p>Repairing a non-DUI drysuit takes more time and can often times require more adapters, water tests and sealing. All non DUI drysuits have a 20% added fee to all work being done based on our repair pricing for DUI drysuits.</p>

Never miss a dive because of a torn seal! Keep a spare wrist and neck ZipSeal in your dive bag.

Remember to add a spare set of ZipSeals to your order.

ZipGloves can be used on any drysuit with a wrist ZipRing installed.

VALVE REPLACEMENT

	DUI does not service valves due to the high cost of labor and parts. DUI and it's valve manufacturer recommend replacing the valve if there is an issue, i.e. not venting, venting slowly or sticky inlet button.	
	Inlet Valve, Apeks, Swivel	\$155
	Inlet Valve, Apeks, non-Swivel	\$155
	Exhaust Valve, Apeks, Adjustable, Low Profile	\$155
	Exhaust Valve, Apeks, Adjustable, High Profile	\$155
	Exhaust Valve, SI TECH, Low Profile, Argo 11225	\$155
	Inlet Valve, SI TECH, Swivel	\$155
